---

LAST DATE OF RECEIVING COMPLETED APPLICATION FORM: MARCH 21, 2012

Indian Institute of Management Indore (IIMI) is pleased to announce the Fourth edition of Faculty Development Programme (FDP) - 2012. FDP aims at professional development of management teachers, researchers, and practitioners. The major focus of FDP is on upgrading the teaching, training, content development, and research skills of participants.

FDP is designed as a specialized program for career development of various management faculty. The programme enables the participants to develop competence in general management, understand recent advances in management research, learn to improve pedagogies, effective presentation techniques, and behavioral skills to be an effective management faculty. The program is managed by a mix of faculty from IIMI as well as guest faculty from industry and other institutions for an intensive exposure to research, writing, teaching, training, and industry trends.

#### TARGET AUDIENCE

A potential participant would be management teacher, trainer, researcher employed in management schools, university departments, degree colleges, professional institutes, training centers of business enterprises, staff training institutes of central and state governments. The program is especially helpful for participants, who teach management and allied subjects like commerce, human resource and labor relations, organizational behavior, marketing, statistics, operations, economics, banking, finance, computer applications, strategy, sociology etc.

#### PROGRAMME DESIGN

Programme contents spread over a host of fields of management, where main purpose is to provide conceptual clarity, contextual familiarity, and contemporary content update. Particular emphasis is given to philosophy of management, new technologies, use of innovative instructional approaches, design and development of learning resources etc. Institution building, creative leadership, and management wisdom of ancient texts add to the uniqueness of the program. The course is typically divided in to six modules:

|   |  |
|---|--|
| Module 1: Perspective on Management Education | Module 4: Research - Methodology and Reporting |
| Module 2: Communication and Behavioral Skills | Module 5: Experience Sharing by Faculty        |
| Module 3: Pedagogy and Curriculum Development | Module 6: ERE Conference and Field Visits      |

#### **4th Conference on Excellence in Research and Education (EREC)**

FDP-2012 also offers a unique participation opportunity in the 4th Conference on Excellence in Research and Education 2012, to be held during May 10 -13, 2012. The purpose of the Conference is to sensitize researchers with latest advances in respective research domains and promote research in academic institutions. It also provides an opportunity to the participants to interact with experts from educational institutions, industry and research organizations to get a direction for their research work.
