

Indian Institute of Management Indore

INTEGRATED PROGRAMME IN MANAGEMENT (IPM) TERM: II

TITLE OF THE COURSE: DANCE – II
CREDITS: 4

COURSE DESCRIPTION:

This course is to give introduction to the IPM students about Dance as a performing Art. Students will be exposed to various dance styles during their learning. Elements of Folk, Classical and western - contemporary dance styles will be taught to them. By the end of the course students need to choreograph a dance performance using the learnt dance styles and perform it for the assessment.

COURSE OBJECTIVES:

Dance course II, focuses on the development and performance of the learner's own choreography and performance within a couple/duet/trio. Candidates receive training on techniques of different dance styles. They begin to develop critical skills for the analysis of choreography and performance within their own work and in professional repertoire.

- Understanding Dance
- Choreography and Performance
