

Indian Institute of Management Indore

Integrated Programme in Management
TERM: IV

TITLE OF THE COURSE: LANGUAGE SKILLS IN ENGLISH-2 (PART A)
CREDITS: 2

COURSE DESCRIPTION: Language Skills in English- 2 focuses on oral communication and emphasizes the process of constructing and delivering effective verbal arguments. The sessions will allow the students to develop, analyze and present their arguments through various modes of oral articulation. The course will also develop student's proficiency in evaluating oral arguments presented by others and engaging in dialogue concerning those arguments.

COURSE OBJECTIVES

- To enable students to apply language skills in English for effective oral communication
- To enable them to develop skills that allow verbal dexterity in front of diverse audiences
- To develop effective and interactive techniques in order to present clear and cogent thought processes
