NEED BASED FINANCIAL ASSISTANCE 2022-23 (NBFA)

To : PGP, PGPHRM and IPM Participants

Indian Institute of Management is pleased to announce the modified Need Based Financial Assistance (NBFA) offered by the institute to all eligible participants admitted to the Post-Graduate Programme in Management (PGP), PGP HRM (PGPHRM) and Integrated Programme in Management (IPM).

In addition to the NBFA, merit-based awards will be given to a limited number of the NBFA recipients based on their performance.

The objective of the Need Based Financial Assistance (NBFA) at IIM Indore is to ensure that no participant is deprived of education at the institute for financial reasons.

The NBFA Committee undertakes a two-step process for deciding the number of participants who will receive the aid and the quantum of aid. The financial assistance offered will be capped at an amount equal to or close to the interest that accrues to a participant's loan account if he/she avails of an educational loan from a scheduled bank (for the period he/she is in IIM Indore). The actual NBFA awarded would be a percentage of the above maximum amount depending on the family income and the assets held by the family. Disciplinary records of the participants will also be taken into consideration while awarding of NBFA.

In the first stage, the participant's financial need will be assessed by evaluating the application submitted by the participants. In the second stage, based on the assessment at stage I, some of the participants would be called for a personal interaction with the NBFA Committee. During this interaction, NBFA Committee will evaluate the financial need of the participant, as well as check the correctness of the details provided by the participant in the application. Based on the evaluation at stage I and II, applicants are provided financial aid.
