## **B. Guidelines for Online Bid Submission Through CPPP**

- B.1** It is mandatory for all the applicants to have class II or III digital signature certification from licensed certifying agency like NIC, MTNL, e-mudra, TCS, safescrypt, GNFC etc.
- B.2** Detailed NIT can be viewed free of cost on IIM Indore website under the URL <http://www.iimidr.ac.in/tenders/> . Schedule of quantities (Financial bid form) can be downloaded only from <https://eprocure.gov.in/eprocure/app>. Uploading of tender will be possible only after making payment of Tender Processing Fee and EMD.
- B.3** The tender shall be submitted online in the prescribed format before the date and time as mentioned in NIT. No other mode of submission is acceptable.
- B.4** The applicant have to upload the details of e-payment of processing fee & EMD before the last date & time and download the tender documents form the e-tendering portal <https://eprocure.gov.in/eprocure/app>.
- B.5** Tenderer are advised to upload their documents well in time to avoid last minute rush on the server or complication in uploading. IIM Indore will not be responsible for any type of problem in uploading the documents. No hard copies for tender submission shall be entertained.
- B.6** Online bid documents submitted by intending bidders shall be opened only of those bidders, who has deposited e-Tender Processing Fee and Earnest Money Deposit and other documents scanned and uploaded are found in order.
- B.7** Information and Instructions for bidders posted on website shall form part of bid document.
- B.8** The bid document consisting of plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents can be seen and downloaded from website <https://eprocure.gov.in/eprocure/app> free of cost.
- B.9** Those contractors / vendors not registered on the website mentioned above, are required to get registered beforehand. If needed the intending bidders may get acquainted with the process online from the [www.eprocure.gov.in](http://www.eprocure.gov.in) site itself.
- B.10** On opening date, the contractor can login and see the bid opening process. After opening of bids he will receive the competitor bid sheets.
- B.11** Contractor can upload documents in the form of JPG format and PDF format.
- B.12** The price bid format is provided in a spread sheet file like BoQ\_price bid.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Price Bid/BOQ template must not be modified/replaced by the bidder; else the bid submitted is liable to be rejected for this tender.
- B.13** Contractor must ensure to quote rate of each item. Therefore, if any cell is

left blank and no rate is quoted by the bidder, rate of such item shall be treated as “0” (ZERO) although the item have to be executed as per scope of contract.

- B.14** The technical bid will be opened online first on due date and time as mentioned above. The time and date of opening of financial bid of contractors qualifying the technical bid shall be communicated to them at a later date.
- B.15** Completed Tenders containing technical bid and price bid will be received ONLINE only on CPP Portal website <https://eprocure.gov.in/eprocure/app> at the fixed time and date indicted in the NIT. The Tenderer will be at liberty to be present either in person or through an authorized representative at the time of opening of the Technical Bid with the Bid Acknowledgement Receipt or they can view the bid opening event online at their remote end.
- B.16** If there are any clarifications, this may be obtained online through the tender site, or thro’ the contact details. Bidder should take into account the corrigendum published before submitting the bids online.
- B.17** It is construed that the bidder has read all the terms and conditions before submitting their offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, the bid will be rejected.
- B.18** The bidder has to digitally sign and upload the required bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read all sections and pages of the bid document including General conditions of contract without any exception and have understood the entire document and are clear about the requirements of the tender requirements.
- B.19** The bidders are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour. Tenderers are advised to upload their documents well in time to avoid last minute rush on the server.
- B.20** The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system. The bidders should follow this time during bid submission.

## C. Other information and terms & conditions

- C.1 The bid submitted shall become invalid:
- If the bidder is found ineligible.
  - If any of the bidder put his quoted rates (as in financial bid document) in the envelope of Cover-I: Technical Bid.

Yours faithfully

Chief officer Engineer

## INTEGRITY AGREEMENT

This Integrity Agreement is made at ..... on this ..... day of ..... 2023  
**BETWEEN**

The Director, IIM Indore represented through Chief Officer Engineer, IIM Indore, (Hereinafter referred as the IIM Indore, Prabandh Shikhar, Rau-Pithampur Road, Indore “**Principal/Owner**”, which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

**AND**

.....  
..... (Name and Address of the Individual/ firm/ Company)

Through .....  
(Hereinafter referred to as the (Details of duly authorized signatory) “**Bidder/Contractor**” and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

### Preamble

**WHEREAS** the Principal / Owner has floated the Tender IIM/Estate/31/2023/172 File No. 432 (hereinafter referred to as “Tender/Bid”) and intends to award, under laid down organizational procedure, contract for “Annual preventive maintenance of HT & LT electrical installations, transformer, breaker, oil filtration etc. works at IIM Indore.”. hereinafter referred to as the “Contract”.

**AND WHEREAS** the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Contractor(s).

**AND WHEREAS** to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as “Integrity Pact” or “Pact”), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

**NOW, THEREFORE**, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

### Article 1: Commitment of the Principal/Owner

(1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:

(a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

(b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any

Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.

(c) The Principal/Owner shall endeavour to exclude from the Tender process any person, whose conduct in the past has been of biased nature.

(2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

## **Article 2: Commitment of the Bidder(s)/Contractor(s)**

(1) It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the IIM Indore / Department all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.

(2) The Bidder(s)/Contractor(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:

(a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.

(b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.

(c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically. (d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.

(d) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.

(3) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

(4) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the IIM Indore interests.

(5) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/her reputation or property to influence their participation in the tendering process).

### **Article 3: Consequences of Breach**

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

(1) If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.

(2) Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.

(3) Criminal Liability: If the Principal/Owner obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

#### **Article 4: Previous Transgression**

- (1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Principal/ Owner.
- (3) If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

#### **Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors**

- (1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Subcontractors/sub-vendors.
- (2) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Contractors.
- (3) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/ Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

#### **Article 6- Duration of the Pact**

This Pact begins when both the parties have legally signed it. It expires for the Contractor/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded. If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, IIM Indore.

#### **Article 7- Other Provisions**

- (1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Headquarters of the Division of the Principal/Owner, who has floated the Tender.
- (2) Changes and supplements need to be made in writing. Side agreements have not been made.
- (3) If the Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
- (4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- (5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by

the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

**Article 8- LEGAL AND PRIOR RIGHTS**

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.

IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presence of following witnesses:

**Format for Agreement**

THIS AGREEMENT made at Indore on the \_\_\_\_ day of \_\_\_\_ 2023 between **Indian Institute of Management Indore Rau- Pithampur Road, Indore** (hereinafter called "**The IIM INDORE**" which expression shall, unless repugnant to the context or meaning thereof, include its administrators, successors and assigns) of the one part AND \_\_\_\_\_

\_\_\_\_\_ (herein after called "**The Contractor**" which expression shall, unless repugnant to the context or meaning thereof, include its successors and permitted assigns) of the other part.

**WHEREAS**

The IIM INDORE is desirous of carrying out the work of "**Annual preventive maintenance of HT & LT electrical installations, transformer, breaker, oil filtration etc. works at IIM Indore**" issued vide NIT No.: IIMI/Estate/31/2023/172 File No. 432

The Works are to be executed as per the scope of work, technical specifications, drawings etc. as is mentioned in the tender document for tendered rate amounting to Rs. \_\_\_\_\_.

The Contractor has agreed to execute the said works subject to the provisions hereinafter contained and subject also to General Conditions of Contract, Special conditions of contract, Safety Code, Model Rules for the protection of health and other arrangements for workers, Specifications, Preambles and Schedule of Quantities and erection & furnishing schedule (all of which are hereinafter collectively referred to as the 'said tender conditions') and strictly in accordance with the Scope of work annexed hereto at or for the respective rates set out in the Schedule of Quantities amounting to the sum as there under arrived at or such other sums as shall become payable there under (hereinafter referred to as the said tendered amount).

**NOW IT IS HEREBY AGREED AS FOLLOWS: -**

1. In consideration of the said tendered amount to be paid by The IIM INDORE to the Contractor at the time and in the manner set forth in the said tender conditions and in accordance with the Schedule of Payments to execute and complete the work shown upon the said Drawings strictly in accordance with the specifications and Schedule of Quantities.
2. The said tender conditions, scope of work and the annexure-1 hereto shall be read and considered as forming part of this contract and the parties hereto shall respectfully abide by to the said conditions and perform the agreement on their part respectively contained in the said conditions.

3. The approved drawings if any, notice inviting tenders technical specification etc. shall also form the basis of this contract.
4. This contract is neither a Lump sum Contract, nor a piece work contract, but is a contract on item rate basis to be carried out and to be paid for according to the Schedule of Payments at the rates contained in the Schedule of Quantities.
5. The contract herein contained shall comprise not only the works mentioned above but all subsidiary works connected therewith within the same site as may be ordered to be done from time to time by the said Engineer-In-charge for the time being, even if such work may not be shown on the said Drawings or described in the said Specifications and Schedule of Quantities.
6. The IIM INDORE reserves to themselves the right of altering the drawings and the nature of the work by adding to or omitting from the scope of work any item of work or portions of the same without prejudice to this contract.
7. Time shall be considered as the essence of this contract and the Contractor hereby agrees to commence the work as mentioned in LOI/ work order and shall complete the entire work within the stipulated time limit.
8. All payments by the IIM INDORE under this contract shall be made only at Indore.
9. All disputes arising out of or in any way connected with this contract shall be deemed to have arisen in respect of IIM Indore and Director IIM Indore only shall have jurisdiction to determine the same.
10. That the contract and several parts of this contract have been read by the contractor and fully understood by him. The contractor shall not be entitled for payment beyond tendered quantities unless ordered specifically by written instructions of the Engineer-in-charge IIM INDORE.
11. This contract shall be signed in duplicate, the original whereof shall be kept in the custody of the IIM INDORE and the duplicate with the Contractor.
12. The Engineer-in-Charge may, without prejudice to his any other right or remedy against the contractor in respect of any delay, non-commencement, inferior workmanship, any claim for damages and/ or any other provisions of this contract or otherwise, and whether the date for completion has or has not elapsed, by notice in writing determine/ repudiate the contract.

IN WITNESS WHEREOF the IIM INDORE has set his hands hereunto and duplicate hereof through his duly authorized official and the Contractor has caused these presents and duplicate hereof under his common seal by his duly authorized representative at the place and on the date month and year first herein above written.

Bank Guarantee for Performance Security

(On letter head of the Owner with adhesive stamp / non-judicial stamp paper of appropriate value at the time of issue of Bank Guarantee)

THIS DEED OF GUARANTEE made on \_\_\_\_\_ day of \_\_\_\_\_ 2023, between [Name of Bank], having Registered Office at [Address], (hereinafter called the “Bank” which expression shall unless repugnant to the context and meaning thereof include its successors) in favor of **Indian Institute of Management Indore having its office at Prabandh Shikhar, Rau-Pithampur Road, Indore- 453556 (M.P.)** (hereinafter called “Owner” which expression shall unless repugnant to the context and meaning thereof include its successors and assigns).

WHEREAS (IIMI) Indian Institute of Management Indore has issued a Letter of Acceptance / Letter of Intent No..... dated \_\_\_\_\_ to \_\_\_\_\_ having its Corporate office at \_\_\_\_\_ (hereinafter called the “Contractor”) which constitute a binding Contract (hereinafter called “Contract Agreement”) for carrying out the “**(Annual preventive maintenance of HT & LT electrical installations, transformer, breaker, oil filtration etc. works at IIM Indore)**” based upon the Tender submitted by the Contractor and agreed between Client and Contractor and subject to the terms therein contained. The work to be carried out by Contractor shall be supervised and implemented by M/s \_\_\_\_\_. (hereinafter called “Contractor/Bidder”)

AND WHEREAS in accordance with the terms and conditions of the contract agreement, the Contractor has agreed to furnish a Bank Guarantee to Owner in the form of acceptable to performance guarantee for a sum of Rs. \_\_\_\_\_ (Rupees \_\_\_\_\_ Only) to ensure timely and satisfactory performance by the Contractor of its obligation under the Contract Agreement.

AND WHEREAS the Bank has at the request of the Contractor agreed to furnish this irrevocable and unconditional guarantee in favour of Owner to secure performance by the Contractor of its obligations under the Contract Agreement on the terms and conditions herein contained.

NOW THIS DEED WITHNESSTH AS FOLLOWS:

1. The Bank hereby unconditionally and irrevocably guarantees the due and punctual performance and observance of and compliance by the Contractor of the covenants, agreements, conditions and provisions expressed or implied on the part of the Contractor to be performed observed or complied with under the Contract Agreement in accordance with the terms thereof and in the event of any non-performance and non-compliance of the same for any reason, the Bank shall absolutely irrevocably and unconditionally without any demur right of set off or counter claim, forthwith upon written demand by Owner and without demur or protest and without reference to the Contractor pay to Owner a sum not exceeding Rs. \_\_\_\_\_ (Rupees \_\_\_\_\_ only). A demand so made by \_\_\_\_\_ shall be final and binding on the Bank.

2. The Bank's liability under this Guarantee is restricted to Rs. \_\_\_\_\_ (Rupees \_\_\_\_\_ only).
3. The decision of Owner for the time being in force, or at any time thereafter as to the non-performance, non-observance and non-compliance by the Contractor of the covenants, agreements, conditions and provisions, expressed or implied, on the part of the Contractor, to be observed performed or complied with under the Contract Agreement shall be final, conclusive and binding upon the Bank and shall not in any circumstances be questioned by the Bank, under what so ever circumstances.
4. Any demand for payment under this Guarantee shall be made on the Bank by Owner in writing at [Bank Address] and shall be deemed to have been sufficiently made by Owner if the writing containing the demand is sent to the Bank by registered post to the address as aforesaid or sent to the Bank by hand delivery at such address and written acknowledgement obtained to such delivery.
5. The guarantee obligations of the Bank hereunder shall continue in force and effect and be binding on the Bank in accordance with its terms upto \_\_\_\_\_ or unless extended on written demand by IIM Indore until the due performance, observance and compliance by the Contractor of all the covenants, agreements, conditions and provisions, expressed or implied, on the part of the Contractor to be observed, performed or complied with under the Contract Agreement, the completion of the Defects Liability Period and issue of the Certificate of Final Completion by Owner in accordance with the Contract Agreement.
6. As between the Bank and Owner (but without affecting the Contractors' obligations) the Bank shall be liable under this Guarantee as if it were the sole principal debtor. The Bank's liability hereunder shall not be discharged nor shall its liability be affected by:
  - a. Any time, indulgence, waiver or consent at any time given by Owner to the Contractor.
  - b. Any amendment to the Contract Agreement,
  - c. The making or the absence of any demand by Owner on the Contractor or any other person for payment.
  - d. The enforcement or absence of enforcement of the Contract Agreement or of any security or other defect in any provision of the Contract Agreement or of any of the Contractors obligations there under;
  - e. The dissolution, amalgamation, reconstruction or reorganization or appointment of any Administrative Receiver of the Contractor.
7. The Guarantee herein contained shall not be determined or in any way prejudiced or affected by any change in the constitution of the Bank/ Owner or by any merger, or amalgamation or reconstruction of the Bank / Owner but shall be enforceable against the merged, amalgamated or reconstruction body.
8. The Bank hereby expressly and irrevocably waives all claims of waiver, release, surrender or compromise and all defenses, set offs, counter claims recoupments, reductions, limitations and impairments, whatsoever.
9. Owner shall be at liberty to vary and alter or modify any of the terms and conditions of the Contract Agreement including without limitation to extend from time to time the time for the performance of the Contract Agreement by the Contractor or to postpone from time to time any of the powers exercisable by owner against the Contractor, to forbear or to enforce any of the terms and conditions of the Contract Agreement, without in any manner affecting this Guarantee and without notice to or assent of the Bank.
10. The Bank waives any right to require/ proceeding first against the Contractor or the realization first of any other security or other guarantee, if any.

11. The Bank agrees and confirms that its obligation to make payment to Owner on demand hereunder and discharge of such obligation shall not be delayed, exercised or avoided by reason of any act or omission on the part of Owner.
12. The bank declares and confirms that the Bank has taken all necessary corporate action to authorize the execution delivery and performance of this Guarantee in accordance with the terms hereof and that the Bank has full power to enter into and perform and discharge its obligations under taken hereunder and that this Guarantee constitutes legal, valid and binding obligation of the Bank, enforceable in accordance with its terms and any defects therein or in its execution shall not be a plea for non-payment or performance of its obligation.
13. This guarantee shall be Governed by and construed in all respects according to the laws of India and shall be subject to the jurisdiction of the courts in Indore.
14. Any forbearance or indulgence on the part of Owner in the enforcement of the covenants, agreements, conditions and provisions, expressed or implied, on the part of the Contractor to be observed, performed or complied with by the Contractor under the contract agreement shall in no way relieve the Bank of its liability under the Guarantee.
15. Terms and expression defined in the contract agreement and used herein shall have the meanings assigned to them therein save and except where the context otherwise require.
16. Notwithstanding anything contained hereinabove;
  - a. Our liability under this bank guarantee shall not exceed Rs. \_\_\_\_\_ (Rupee \_\_\_\_\_)
  - b. This bank guarantee shall be valid upto \_\_\_\_\_ or and
  - c. It is a condition to our liability for payment of the guaranteed amount or part any thereof arising under this Bank guarantee that we receive a valid written claim or demand for payment under this bank guarantee on or before \_\_\_\_\_ or as provided in clause 5 failing which our liability under this bank guarantee will automatically cease.
  - d. This bank guarantee is not assignable and not transferable to third party.

<b>P.</b>	<b>Special Conditions of Contract</b>
-----------	---------------------------------------

1. The tenderer shall acquaint himself with the proposed site of work.
2. If for any reasons, any part of the site is not available temporarily for some time for part of the work under the contract, the agreed construction schedule shall be suitably modified and contractor shall diligently divert his men and materials to utilize them appropriately, profitably and no claim of damages whatsoever shall be entertained on this account. However, the contractor shall be allowed extension of time for completing the work as deemed fit by the competent authority. The contractor shall also not be entitled to any compensation for any loss suffered by him and revision in the rates quoted by him.
  - a. On account of delay in commencing the work by the contractor.
  - b. On account of reduction in the scope of work.
  - c. On account of suspension of work or abandoned after award of work.
3. The contractor shall make his own arrangement for obtaining electric connection required for execution of work and make necessary payments directly to the concerned departments and nothing extra shall be payable on this account. The contractor shall make his own arrangement for water suitable for construction.
4. The contractor shall provide, at his own cost instruments for surveying, weighing and measuring purpose at the site of work as may be necessary for execution of the work.
5. The contractor shall take care of all safety precautions pertaining to construction of work, such as scaffolding, ladder, working platforms, gangways, electric arc/ gas welding, use of hoist and construction machinery.
6. On account of security consideration, some restrictions may be imposed by the security staff on the working and/ movement of men and materials etc. The contractor shall be bound to follow all such restrictions/ instructions and he shall organize his work accordingly. No claim on this account, whatsoever, shall be payable.
7. The contractor shall take all precautions to avoid accidents by exhibiting necessary caution boards day and night, speed limit boards, red flags, red lights and providing barriers. He shall be responsible for all damages and accidents caused to existing/ new work due to negligence on his part. No hindrance shall be caused to traffic during the execution of the work.
8. The contractor shall be responsible for the watch and ward of all materials brought by the contractor to site against pilferage and breakage during the period of installation and thereafter till the works are physically handed over to the department.
9. The contractor shall take all preventive measures against any damage caused by rain, snowfall, floods or any other natural calamity, whatsoever during the execution of the work. The contractor shall be fully responsible for any damage to the Owners property and to the work for which the payment has been advanced to him under the contract. However, the contractor shall maintain an equal to the payment received against the work done, at his own cost. This will also cover the defect liability period. This shall be favouring the Director, Indian Institute of Management Indore. Nothing extra on this account shall be payable to the contractor for maintaining such insurance Policy.
10. The work will be carried out in the manner complying, in all respects, with the requirements of relevant bye-laws of the local body under the jurisdiction of which the work is to be executed or as directed by the Engineer-in-Charge and nothing extra shall be paid on this account.
11. The contractor shall comply with proper and legal orders and directions of the local or public authority or municipality and abide by their rules and regulations and pay all fees and charges which may be liable.
12. All materials to be incorporated in the work shall be arranged by the contractor and

- shall be in accordance with the specifications laid down.
13. The tenderer shall use materials bearing ISI Certification Mark unless otherwise specified or allowed in writing by the Engineer-in-Charge. Any material banned by the department shall not be used in the work.
  14. The contractor shall submit to the Engineer-in-charge, samples of all materials for approval. Such samples of materials which affect aesthetics of the work shall also be got approved from the Engineer-in- charge of the project before procuring bulk supplies. These approved samples shall be preserved and retained in the custody of the Engineer-in-charge as standards of materials till the completion of the work. The cost of such samples shall be borne by the Contractor and nothing shall be payable on this account over the Agreement rates.
  15. The contractor shall be required to get all the necessary mandatory and other tests as per the specifications/ IS codes, carried out on materials/ work from an approved laboratory as per the direction of the Engineer-in- charge. The testing charges and conveyance from the site shall be borne by the contractor.
  16. In case any material / work is found sub-standard the same shall be rejected by the Engineer-in-charge and the same shall be removed from the site of work within 48 hours, failing which the same shall be got removed by the Engineer-in-charge at the risk and cost of the contractor without giving any further notice and time.
  17. In order to ensure quality of work during its execution, the Engineer-in- charge may require samples for mandatory or routine testing of materials. All costs of these samples, their packaging, conveyance from the site to the testing laboratory and return, shall be borne by the contractor.
  18. The contractor shall supply free of charge the material required for testing. The cost of tests shall be borne by the contractor.
  19. The contractor shall be responsible for completing the work and for satisfying all terms and conditions of the Contract without any extra payment over his quoted rates unless otherwise specified. The contractor shall quote his rate for various items of work accordingly and no claim whatsoever shall be entertained for any incidental or extra work involved in the execution of the work as per nomenclature of the item and the specifications indicated in the tender documents.
  20. Subject to the nomenclature of the item as per schedule of quantities, the specification indicated in the tender documents, the rates quoted shall include cost of all materials including royalty and taxes if any, labour, sundry inputs, execution of work at all heights, levels, pattern and design for all leads, lifts and depths including overhead charges and contractor's profit. Nothing extra shall be paid on this account.
  21. The rates shall be inclusive of making any holes in walls/ RCC work for fixing any fixture/ frame work and making good the structure to its original shape and finish.
  22. The contractor shall give a satisfactory performance test of installations individually and as a whole to ensure their proper functioning before the work is finally declared and completed and accepted.
  23. The contractor shall continue to maintain watch and ward to safeguard the Owner's property in his possession until the same is formally handed over as per directions of the Engineer-in-charge. Nothing extra over agreement rates shall be paid on this account.
  24. All tools, plants and measuring or weighing equipment shall be arranged by the contractor himself and nothing extra shall be paid to the contractor on this account.
  25. The quantities of various items incorporated in the tender are approximate. However, the payments shall be made to the contractors on the basis of actual measurements taken at site.

26. The contractor shall provide adequate lighting arrangements as approved by the Engineer-in-charge for carrying out the work during night time, if so required and also provide all other facilities for the labour employed to carry out the work as per direction of Engineer-in-Charge.
27. In order to achieve the targeted date of completion the contractor may have to work in multiple shifts, round the clock including public and gazetted holidays and nothing extra shall be paid on this account.
28. All materials, articles and workmanship shall be of respective best quality and kind for the class described in the schedule of quantities and specifications. All materials, so used in different items of work shall be subject to the approval of the Engineer-in-charge.
29. The contractor shall be responsible for all statutory provisions and deductions towards ESI, PF or any other, as the case may be or any other levies and taxes shall be borne by the contractors. The TDS and Contract Tax or any other statutory levels/taxes incorporated from time to time shall be deducted progressively from the running account bills, as applicable at the time of payment. No claim in this regard shall be entertained.
30. The contractor is supposed to abide the minimum wages act, and shall produce all records to the Engineer-in-charge or any other statutory authority as and when called for. The Engineer-in-charge does not hold any responsibility on account of any lapses in this regard.
31. No extension of time shall be granted to the contractor on account of rains or inclement weather conditions.
32. The security of workmen, materials, equipment stores etc. within the area allotted to the contractor shall be the responsibility of the contractor.
33. The site of work shall have required equipments for various tests at site by the contractor at his own cost and nothing extra shall be payable on this account.
34. The contractor shall arrange minimum plant and equipments at site for the execution of work. These may have to be increased depending on the requirement site.
35. The quantities indicated are for guidance only however it may vary to any extent and the contractor should not have any financial or other implications for such variations. The owner reserves to reduce the scope of work of any item if the contractor fails to deliver the works in time and the contractor shall not ask for any financial consideration for such deletion of scope of the work.
36. If required and directed by Engineer-In-Charge, contractor shall arrange visits of his personnel comprising of Engineer-In-Charges to various places/ plants in or out side Indore to check and verify the quality of material at manufacturer's places. No extra cost shall be given for this to contractor.
37. Proforma of Registers to be as per standard CPWD formats.
38. The Tenderer shall carefully check the specifications and shall satisfy himself that the material / items offered is complying with the IIM Indore's requirements and specifications laid down in the tender document.

39. Any damage of the existing structure, building etc. made by the successful bidder during execution of this work shall be made good as it was at his own cost & risk.
40. The IIM Indore's Engineer shall have the power-
  - i) To reject any material or parts submitted, as not being in accordance with the specification.
  - ii) To reject the whole/part of the items & materials tendered for inspection, if after inspection of such portion thereof, as he may in his discretion think fit, he is satisfied that the same is unsatisfactory; and
  - iii) To mark the rejected items / materials or parts with a rejection mark so that it may easily be identified if re-submitted.

<b>Q.</b>	<b>Scope of work &amp; Technical Specifications</b>
-----------	---

The scope of work shall include the following.

- a. "Annual preventive maintenance of HT & LT electrical Installations Transformers, breaker, oil filtration etc. at IIM Indore" complete as per bill of Quantity and specifications.
- b. Any other work related to but not specifically mentioned above, required for completion of the job as per the intent and scope of work.
- c. Contractor has to carry out the one time maintenance of HT/LT electrical installations as per guideline of OEM manual, CPWD Specifications & as per schedule mentioned in the tender document. After completion of the entire work contractor has to submit all the test reports & service report of each & every items for which the work was awarded.
- d. The contractor shall be responsible for the satisfactory performance of the breaker etc serviced during **12 Month** of defect liability period. Any complaint received from IIM INDORE must be attended within **three** days from the receipt of complaint in writing or telephonically, failing which IIM INDORE will make the system functional and debit the expenditure to the party which will be deducted from the remaining payment i.e., security Deposit.

## **2. Technical Specifications:**

Contractor has to carry out the one time maintenance of HT/LT electrical installations as per guide line of OEM manual, CPWD Specifications & as per schedule.

### **Transformers:**

1. Check winding temperatures, check for abnormalities & recording them.
2. Observe and record load (amperes) and voltage. Check against rated figure.
3. Visual check for overheating if any at terminal connections (Red hots) and observation for any unusual internal noise.
4. Cleaning of bushings, inspect for any cracks or chippings of the Porcelain and checking of tightness of clamps and jumpers.
5. Measurement of IR values of transformer with suitable megger according to the rating of the transformer. Recording of the values specifying the temperature at which measurement are taken.
6. Cleaning / dusting out of coils from the compartment.
7. Checking of temperature alarms by shorting contacts & checking its accuracy.
8. Testing of surge relays, master trip relay etc. trips for correct operation.
9. Checking of all connections on the transformer for tightness such as bushings, earth connection.

10. Calibration & testing of all protection devices and indicators.
11. Measurement of magnetizing current at normal tap and extreme taps.
12. Measurement of winding resistance.
13. Test such as OCC, Short ckt, vector group test, load test & Ratio test etc. shall be carried out.
14. IR value of incomer cable.

#### **Isolators:**

1. Check for tightness of nuts and bolts, drive tube locknuts, drive lever and phase coupling plan bolts etc.
2. Open the disconnected and earthing switch and inspect the contacts. (Wipe the contact surface with solvent).
3. Check for contact lubricant (petroleum jelly).
4. After maintenance and inspection, smear the contact surface lightly coated with contact lubricant (petroleum jelly).
5. Check for split pins in clevis replace the same if damaged.
6. Check contact gap, if found inadequate replace contact spring.

#### **Protective Relays:-**

1. Visual inspection and cleaning from outside.
2. Checking of each relay for its correct operation by secondary injection.
3. Cleaning of relay contacts by cleaning agent.
4. Calibration of relay.
5. Checking of current/voltage setting as per recommended setting.
6. Checking of time characteristic as per recommended setting.

#### **Protective Relays: -**

1. Visual inspection
2. Air cleaning with blower.
3. Cleaning of circuit breaker body and bushings.
4. Auxiliary contacts cleaning.
5. Tightening of nuts and bolts.
6. Checking breaker Operation (Local/Remote operation).
7. Check anti-condensation protection.
8. Check of motor control.
9. Checking and sealing of cable entry holes.
10. Use of anti-corrosion spray where required.
11. Oiling and greasing of all moving parts.
12. Functional check of trip circuit.
13. Checking ON/OFF Timing of Circuit breaker poles.
14. Complete servicing, lubricating and greasing of all moving parts.
15. Air cleaning with blower.
16. Measurement of contact resistance and contact gap.
17. Operation of control and Auxiliary circuits.
18. Recharge time of operating mechanism after specified sequence.
19. Checks on specific operations.
20. Inspection and operation of control circuit.
21. Measurement of Humidity if necessary.
22. Touch up painting wherever required.
23. Checking contact resistance of Breaker main contacts.
24. Checking of circuit breaker position level by using spirit level indicator.
25. Mechanism checking and Control Circuits.
26. IR Value of power and Control Circuits.
27. Verification of correct rated operating sequence.
28. Checking and adjustment of Track alignment and Interlocking mechanism.

<b>R.</b>	<b>FINANCIAL BID</b>
-----------	----------------------

Financial Bid					
Name of Work: - "Annual preventive maintenance of HT & LT electrical installations, transformer, breaker, oil filtration etc. works at IIM Indore"					
Tender No. IIMI/Estate/31/2023/172 File No. 432					
Name of the Firm					
Address of the Firm					
Phone/Mobile no.					
E-Mail ID					
Item No	Item Description	Qty	Unit	Rate (Including GST)	Amount
1	Filtration of Transformer Oil and removal of moisture, improvement of dielectric strength with complete in all respect and as per the specification of OEM and direction of Engineer-in-charge.	5000	Ltr		
2	Transformer Oil testing with carrying out following tests through NABL Lab and complete in all respect, as per the specification OEM and as per the direction of Engineer-in-charge. 1.BDV 2.FlashPoint 3.Acidity 4. Water Content.	2	Nos.		
3	Providing and replacement of Transformer Silica Gel, Gasket etc. complete in all respect, as per the specification of OEM and direction of Engineer-in-charge.	5	Kg		
4	Earthing testing for 33 KV switchyard, Transformer, HT/LT Panels and DG Sets including tightness of nut bolt, cleaning of rusted joints etc. complete in all respect as per the specification and as per the direction of Engineer-in-charge.	100	Nos.		
5	Insulation Resistance & Polarization Index (PI) Test for Transformer and DG Sets all complete as per the specification and as per the direction of Engineer-in-charge.	10	Nos.		

6	<b>Vacuum Circuit Breakers:-</b> Service charges for carrying out servicing and overhauling of 630 Ampere, Indoor Type 11 KV, 3 Phase, 50 Hz, <b>Make - ABB</b> , VCB by drawing out the draw-out module of the breaker, carrying out complete cleaning with clean cloth & cleaning agent, lubrication of the mechanism & greasing with high temperature molly grease, testing for smoother ON/OFF operation, carrying out relay calibration of protection relay by secondary current injection methods to check trip time characteristic of relay, checking of healthiness of CTs & PTs Checking of IR value of interrupters, healthiness of Protection Tripping of Circuit breaker etc. Checking and service switchgear interlocks and Safety like (Mechanical: - 1. Positive Interlock, 2. Negative Interlock, 3. Spring Discharge Interlock, 4. Padlocks, 5. Key Interlocking, 6. Safety Roll in Stop, 7. Safety Roll-out Stop, 8. Rating Interference Interlock). (Electrical: - Interlock Switches) Checking Of Electrical operations of the breaker for ON/Off & trip operation for Incomer and outgoing including rectification of fault and submission of service & test reports. The rate shall include the material, labour, transportation, tools and tackles etc. complete as required.	4	Nos.		
7	<b>Air Circuit Breaker (Make: L&amp;T/GE)</b> Complete service, overhauling, repairing, cleaning, oiling with setting of tripping mechanism and testing of IR Value, CRM and Open close Timing of 800 to 3200A MDO/EDO, 3P/4P Air Circuit Breaker (ACBs) including rectification of fault submission of service & test reports.	50	Nos.		
8	Liaison job for obtaining the compliance report from the Chief Electrical Inspector (Safety) for observations made during annual inspection.	1	Job		

9	33KV Switch Yard Maintenance: 1. Supply & Installation of 33KV, 600A, Isolator, make- Atlas - 01 No. 2. Supply & Installation of DO Set contacts - 06 Nos. 3. Tightening of Jumpers, replacement of clamps and connectors (if required)	1	Job		
10	Supply & Spreading of Aggregate below 40mm in the Utilities.	80	Cum		
11	Supply of 3.5 Core 120 Sq. mm size of 1.1 KV grade multi-core XLPE Armoured Aluminium Conductor Power cable conforming to IS 7098 (Part-1) / IS 1554 ( Part -1 ) with up to date amendments as required.	300	MTR		
12	Supplying and making end termination with heavy duty double compression weather proof nickel plated brass cable glands with brass washer, rubber ring complete and crimping type heavy duty Aluminium lugs as per IS Specification suitable for following size of PVC/XLPE insulated aluminium armoured cable of 1.1 KV grade as required. The end terminations shall be complete with cable and lead connection, PVC insulating tape, identification ferrules fixed on each core end, aluminium lugs evenly crimped with high / pressure crimping tool and connected to switch gears using PVC insulating tape and other consumables, etc. as required complete as per specification. <b>(One set of end termination comprises of suitable sizes of 1 No. Cable Gland &amp; 4 Nos. Aluminium Lugs including other material explained in the item)</b>				
12.1	3½ Core x 120 sq.mm	8	Each		
13	Laying of one number PVC insulated and PVC sheathed / XLPE power cable of 1.1 KV grade of following size direct in ground including excavation, sand cushioning, protective covering and refilling the trench etc. as required.				
13.1	Above 95 sq. mm and up to 185 sq. mm	150	MTR		
14	Laying of one number additional PVC insulated and PVC sheathed / XLPE power cable of 1.1 KV grade of following size direct in ground in the same trench in one tier horizontal				

	formation including excavation, sand cushioning, protective covering and refilling the trench etc. as required.				
14.1	Above 95 sq. mm and upto 185 sq. mm	150	MTR		
	<b>Total amount in Rs. (Incl. GST)</b>				

**Note:**

1. Work Should be executed as per CPWD Internal/External & OEM Specifications.
2. The Financial Bid is to be filled through e-procurement portal namely CPPP through <https://eprocure.gov.in/eprocure/app>.
3. Any other mode of bid submission will not be accepted.
