PrivateCircle Platform:

Bulk Download – All the screens at PrivateCircle platform work like an excel, where you are getting all the data available at the single screen, users have to first filter the data they are looking for and after filtering if they want to download the data in bulk in an excel format at a single click, it is possible by selecting the check box available at the left most side and then clicking on “Download” tab at the top right corner.

The screenshot displays the PrivateCircle platform interface. At the top, there's a navigation bar with tabs for Sectors, Companies, Investors, Deals, Banks, Legal, and More. A search bar is present with the text "Search. Use '&&' (and) or '|' (or) to combine multiple terms...". Below the navigation bar, the main content area shows "MCA 2,763,440 Results" and a "Download (30)" button. A table of company data is visible, with columns for #, Name, Trade Name, CIN, Website, Industry, Sub Sector, Sector, and Keywords. The table lists 15 companies, each with a checkbox in the first column. The bottom of the screen shows a Windows taskbar with various application icons and system information.
