Education

- **MBA (PGPMX)** – IIM Indore, Mumbai Branch (2019-21)
- **PGDBM (Marketing)** - S.I.E.S. College of Management Studies, Mumbai (2008-10)
- **B.Tech (Bioinformatics)** - Pune (2004-2008)

Professional Summary

Data Scientist by profession with a little less than a decade of experience in corporate field. Aanalyze and interpret complex bigdata using scientific methods, algorithms and statistical tools to assist businesses in their decision-making process. Key role as a data scientist is to do data processing, mining, hypothesis designing, data visualization and build predictive models using Machine Learning and Artificial Intelligence.

Machine learning Algorithms and Techniques:

- Regression algorithms viz. Linear regression, Logistics Regression, Decision Tree, Multiple Linear Regression, Polynomial Regression, Random Forest, Ensemble Model
- Supervised and Unsupervised learning models
- PCA Techniques & Factor Analysis
- NLP or String Matching Algorithm
- Time Series Forecasting, ARIMA, SARIMA, Holt Winters
- K-means, KNN
- Smoothing Techniques
- Missing value imputation

Projects:

- Forecasting & Prediction
- Hypothesis Testing
- Recommender Model
- Churn Prediction & Propensity Model
- Sentiment analysis
- Pricing analytsis
- Clustering & Segmentation
- Behavioral/ Cohort Analysis
- MDM

Tools/Skills: Machine Learning, Artificial Intelligence, Statistics, Bigdata, Hadoop, Spark, Hive, R/RStudio, SparkR, Scikit-Learn, Python, PySpark, SQL, Shiny R, ggPlot2, Plotly, OpenText Magellan Notebook, Minitab, SAS BI, Tableau, Power BI, Unify, ILD, Advanced Excel, etc.

Soft Skills: Leadership, stakeholder management, critical thinking, negotiation, project management

Certifications

IIT, Mumbai |
Certification on Analytics for Management (2018)

Indian Institute of Science (IISc), Bangalore |
Fundamentals of Data Analytics (2018)

Indian Institute of Science (IISc), Bangalore | Advanced Analytics, Machine Learning & NLP (2018)

MSME, Bangalore |
Bigdata & Hadoop (2016)

Genpact | Three Whitepapers published (2014 – 2017)

Genpact | Green Belt and Lean Six Sigma Certified (2015)

Neha Pawar

Professional Experience : 6+ years

Since Nov 2016:

Technical Services & Application Technology
Manager – High Performance Polymers
Evonik India Pvt. Ltd.

Sep 2013 – Nov 2016:

Technical Manager- Commodity Polymers
Reliance Industries Limited

Education

Master of Technology – Polymer Engineering

Institute of Chemical Technology, Mumbai

Bachelor of Technology – Polymer Engineering

University Department Of Chemical Technology

Research and Publications

1. The effect of different silane coupling agents on mechanical properties of Mica filled PPO composites.
(Asian Journal of Applied Science and Technology (AJAST) Volume 1, Issue 7, Pages 153-157, August 2017)
2. The effect of different silane coupling agents on mechanical properties of Fly ash filled PPO composites.
(International Journal of Chemical, Environmental & Biological Sciences (IJCEBS) Volume 2, Issue 4 (2014) ISSN 2320-4087)

Key Projects & Deliverables

- Productivity Increase in Extrusion process of PA12 Automotive tubes manufacturing.
- Key projects with Automotive OEMs in Implications of our product portfolio for new market environment (BSVI, EV)

Skill-set competency & Expertise

Application Technologies :Technical Support to Automotive tier 1 suppliers. PV and CV sector. Analysis of the buying center (Influencers, Decision makers etc.), specifications & material approval process. Direct communication with customers regarding concerns, complaints, new/existing products. Technology and testing support in Polymer Packaging sector . Customer oriented technical service. Hands-on experience and in-depth knowledge on Polymer/Chemical testing instruments and Polymer Processing.

Paresh Kerkar

Professional Experience : 12+ years

Since May 2010:
Project Manager
Zensar Technologies

April 2007 – April 2010 :
Sr. Technical Support Engineer
Novell Inc.

April 2005 – April 2007:
Self Employed – Hardware and Network engineer.
A self-started venture

Education

**B.Sc. Business Information Systems
(YCMOU)**

Key Projects & Deliverables

- **Project Management And Delivery Assurance** :Executed multiple information technology projects ,using strong and accepted fundamentals of project management, operations management and ITIL , in the domain of cloud infrastructure services across varying geographies.
- **Organisation Transition Program - Organizational Excellence (OE) “Lean”:** Program was rolled out with the help of consulting firm McKinsey. The Lean change transition was targeted to take the organization project delivery to next level in line with business excellence. The focus area of Lean implementation was to achieve Productivity improvement, Improved Work allocation, Cost savings and creating a healthy competitive environment.
- **Self Employed as a Hardware & Network Engineer:** A self-started venture for providing hardware and network support for small businesses and individual customers.

Skill-set competency & Expertise

- **Functional Domain** – Project Management, IT Operations Management, Quality Management, Root Cause Analysis, Innovation and process optimization.
- **Technical Skill-Set** – ITSM tools, IT Infrastructure(Monitoring ,Datacenter, Applications)
- **Soft Skill:** Communication, Leadership, Collaboration, Teamwork, Problem Solving

Certifications

- ITIL V3 Expert
- PRINCE2 Practitioner

Rajani Nair

Professional Experience : 6.5+ years

Since July 2018:

IT Analyst

Tata Consultancy Services

February 2013 – June 2018:

Associate Technical Consultant

Blue Star Infotech Limited

Education

Bachelor of Engineering-Information Technology

University of Mumbai- Pillai's Institute of Information Technology

Key Projects

Trafigura, Viacom18, PVR, Conde Nast India, Glencore,

Key Roles & Responsibilities

- Microsoft Certified Software Professional with 6.5 years of experience in Microsoft Dynamics NAV.
- Worked on latest Microsoft Dynamics Navision foundations viz 2009 SP1, 2009 SP1 R2, 2013, 2013 R2, 2015, 2016 and 2017
- Currently managing an entire team L3 support and deployment team.
- Proficient in using Navision Tools like c-front, Navision Application Server (NAS).
- Proficient analysis, design, coding and debugging/Error fixing skills.
- Customized various customer requirements under Microsoft Dynamics NAV.

Skill-set competency & Expertise

• **Technical Skill-Set –**

- ERP: Microsoft Dynamics NAV 2009 SP1/2009 R2/2013/2013 R2/2015/2016/201
- RDBMS : Microsoft SQL Server 2005/2008R2/2012
- Languages : C/AL, C
- Operating Systems : Microsoft Windows XP/Vista/7
- Other Tools : MS Office, HP ALM, Version One, GitHub, Compare It, TFS, OMA

- **Soft Skill:** Communication, Leadership, Teamwork, Problem Solving & Time Management

Languages Known

- English
- Hindi
- Marathi
- Malayalam

Certifications

- Microsoft Dynamics NAV 2013 Installation and Configuration
- Agile Way of Working- E1 level

Rohit Kumar Sinha

Professional Experience : 13+ years

Since April 2017:

Senior Manager (IT)

**Aditya Birla Capital Limited
(Health Insurance)**

Aug 2013 – Apr 2017:

Senior Consultant (IT)

Capgemini India Private Limited

Jun 2006 – Aug 2013:

Technical Lead (IT)

**Verizon India Private Limited
(Verizon Wireless, USA)**

Education

**Bachelor Of Engineering– Electronics
& Telecommunication**

Nagpur University

Key Projects & Deliverables

- Set up end to end SDLC management processes in a start up organization(ABHI) and currently leading a team for Policy Administration & Services System (Core) in **Aditya Birla Health Insurance**. Reviewed technical architecture of Core system and aligned it with defined Enterprise Architecture principles in ABHI.
- Worked collaboratively with IT Application ,Infra, Operation, Sales, Finance and Underwriting teams to provide efficient solutions and resolve their issues.
- Automated existing processes for troubleshooting Production Issues thereby reduced manual intervention of IT Support team and reduced call volume significantly at service centre for **Morgan Stanley** project in **Capgemini**. Experience in both Waterfall and Agile methodologies.
- Designed and Developed user provisioning engine For Home Monitoring Control(HMC) product in **Verizon** from scratch and successfully launched it at onsite location at Dallas ,Texas (USA)

Skill-set competency & Expertise

- **Functional Domain** – Product Development & Project Management in **Telecom , Banking, Insurance** domains .
- **Technical Skill-Set** –Technical Proficiency in Designing Solutions for Web, Client/Server & Enterprise Applications using **Microsoft** technologies , Hands on experience in implementing Design Patterns, Service Oriented Architecture, Cloud Computing ,MVC , C#.NET, OLAP, MDX , SQL Server .
- **Soft Skill** : Cross functional co-ordination with teams, analytical, problem solving

Languages Known

- English
- Hindi

Awards & Training

- Received **Customer Delight Award** for outstanding performance in Morgan Stanley project in Capgemini
- Presented and Received **Best Project Award** in Verizon
- Recipient of **ON THE SPOT** award for outstanding performance consecutively for 4 years from 2007- 2011 in Verizon
- Awarded **ABOVE AND BEYOND** employee for the year 2006-2007 in Verizon
- Attended industrial training about Telephony and Telecom at BSNL

Post Graduate Programme Management in Management for Executives

About the programme :

The IIM Indore two-year, alternate weekend Post- Graduate Programme in Management for Executives (PGPMX), offered in Mumbai, is uniquely designed for working executives and entrepreneurs, who would like to take the opportunity to become transformational leaders and innovative solution creators in their respective organizations, but find it difficult to pursue a full-time programme in management.

Saureb Bannerjii

Professional Experience : 13+ years

Since May 2013:

Manager – SAP Project

Tata Consultancy Services Ltd.

Oct 2009 – May 2013:

SAP Consultant

KPMG India Ltd.

Aug 2009 – Sep 2009:

SAP Consultant

IBM India Ltd.

Nov 2006 – Jul 2009:

SAP Consultant

Eureka Forbes Ltd.

Education

Bachelor in Engineering (Electronics)

Vivekanand Education Society Institute of Technology, Mumbai University

Certificate in Planning & Entrepreneurship

I.I.P.M., Mumbai

SAP HCM Certified Consultant

Lithan Genovate, Mumbai

Key Projects & Deliverables

- **Heading a SAP Support Project:** Post Implementation Production Support for overseas customer, managing and problem solving in various modules of SAP HCM, handling all change requests, developing interfaces and reports in SAP.
- **Implementing SAP HCM:** Delivered 5 End to End Implementations in Insurance, Petrochem, Construction, Marine Products industry.
- **Worked on Support Projects in SAP HCM:** Handled Post Implementation Support for 12 clients.
- **Data Migration Project in SAP HCM:** Delivered in data migration activation for 2 clients
- **Audit Projects in SAP HCM:** Audited Pre implementation (Business Blueprint Audit), Configuration Audit and Post Implementation Audit

Skill-set competency & Expertise

- **Functional Domain –** SAP HCM Submodules (Personal Management, Organizational Management, Time Management, Payroll, Employee Self Service, Manager Self Service)
- **Technical Skill-Set –** Basics of SAP Advanced Business Application Programming (ABAP)
- **Soft Skill:** Communication, Leadership, Teamwork & Problem Solving
