

Welcome to IIM Indore - Mumbai Campus

Dear Students and participants,

On behalf of the IIM Indore community, let me have the pleasure and privilege of welcoming you to the new jewel in the crown of IIM Indore - the brand new and smart campus at CBD Belapur, Navi Mumbai*.

THE CAMPUS INFRASTRUCTURE

Situated on the *new marine drive* of Mumbai, near the Palm Beach Road, in the Mahaavir Icon Building, the new campus affords a scintillating and yet panoramic view of the bay on the three sides and the sea breeze in all the nooks and corners of the campus.

Unfortunately, the academic rigour of your programmes may silently coax you to defer enjoyment for 2 years!!!

A grandiose entry into the building with its high speed lifts that will take you to the desired floors and to your class rooms in the blink of an eye.

However we recommend - that you exercise discretion and be on time - well in advance - so that you are not punched absent after 15 seconds from the start of the session!

Cleanliness is next to Godliness - besides Swach Bharat = Sundar Bharat!

So please maintain due diligence and discipline. This is the last time you shall read/hear those words!!!

Up ... Up ... and Away!!!

ACADEMICS	
<p>After the thorough PGP review undertaken last year, we are happy to provide you our key deliverables - the academic inputs for PGP - I. Whether you like them or not - you have to undergo the grill - but it's only for one year!!! In the second year, you will have the option of choosing the subjects of your heart from the rich bouquet - that we offer you - evidently an advantage of being in Mumbai!!!</p>	
Term - I Credit Courses	Credits
