Bhubaneswar, 23 September

The Indian Institute of Management (IIM) at Sambalpur in Odisha, one of the six new IIMs sanctioned by the Centre in 2014, took off on Wednesday with the orientation of 49 students. The classes for these students — 40 boys and 9 girls — will start on Thursday.

IIM-Sambalpur, which can take up to 60 students, will offer the flagship Post Graduate Programme in Management (PGP). All other new IIMs — Visakhapatnam (Andhra Pradesh), Bodh Gaya (Bihar), Sirmour (Himachal Pradesh), Nagpur (Maharashtra), and Amritsar (Punjab) — have already started their classes.

"The regular faculty of IIM Indore, besides visiting professors, will be taking classes. We're running late by two months and will make all efforts to complete the session on time," said

IIM begins academic session

SUBRAT MOHANTY

Sambalpur, Sept. 23: The state's first Indian Institute of Management in Sambalpur began its academic session today with an orientation programme for its first batch of students.

The event was held on the institute's temporary campus at the Silicon Institute of Technology in Sason.

Despite initial hiccups, students are excited about beginning their classes here and said they are happy with the resources and infrastructure made available to them at the temporary campus.

Most of them arrived only a few days ago, but they are thrilled to be studying at the country's 19th IIM. The faculty of IIM Indore would be taking classes here for the time being and institute director R.T. Krishnan has been given additional responsibility of director, IIM Sambalpur. The students expect quality education during their tenure here.

Preetam Rana of Bhubaneswar, who was working with a major software company, said he is looking

forward to the academic session. "After completing my BTech from KIIT University, Bhubaneswar, I was working in the software sector. I had appeared for CAT and when I got a call from IIM Sambalpur, I took sabbatical leave and came here to pursue management."

He said communication is an issue at the campus. "But we have been said that we would be provided buses. That should solve the problem," he said.

Similarly, Aparna G. of

Thiruvananthapuram, was a website designer but left her job to enrol at the institute.

"The facilities for students are good. I'm happy with the accommodation. Also, the faculty is great. I have no regrets that I left my job to come here," she said.

The 49 students, including nine girls, who have taken admission here, attended the orientation. The students were addressed by Krishnan, who expressed satisfaction at the available infrastructure at Sil-

icon campus. He said two faculties of IIM Indore — Pawan Singh and Vijaya Gupta — have come here to take classes.

"The faculty of IIM Indore and guest faculties, who come to the IIM Indore, will also be delivering lectures at IIM Sambalpur," said Krishnan. He said the focus was to impart quality education and contribute to the region.

The co-ordinator of the institute, Pawan Singh, said classes would commence from Thursday. He said IIM Sambalpur had the second largest batch among the six new IIMs set up in the country.

Rupesh Tiwari, another student, who joined IIM after leaving his corporate job said, "As the faculties and guest faculties of IIM, Indore are to take the classes here, we are hopeful that like the other IIMs of the country, we would be imparted with quality education here also."

The academic session was formally inaugurated by technical education minister Sanjay Das Burma. He said the state government is committed to improve the facilities at IIM Sambalpur.

IIM-Sambalpur Classes to Begin Today

Express News Service

Sambalpur: Orientation class for the first batch of Post Graduate Programme in Management of Indian Institute of Management, Sambalpur (IIM-S) was held here on Wednesday.

The class was held in the institute's temporary campus at Silicon Institute of Technology (SIT) at Sason. A total of 49 students including nine girls have taken admission to the management programme of IIM-S.

Addressing students on the occasion, Technical Education Minister Sanjay Das Burma said IIM-S marks a new beginning in Odisha's higher education sector.

"The IIM has been a long pending demand of people of the State. It will work as a catalyst in improving the quality of higher education in the region," said the Minister. Das Burma hand-

ed over the documents related to sanction of 200 acres of land free of cost by Chief Minister Naveen Patnaik for establishment of permanent IIM campus at Basantpur, to Collector Balwant Singh and IIM Director RT Krishnan on the occasion.

Krishnan, Director of HIM-Indore (mentor institute) is holding the addi-

tional responsibility of IIM-S.

Coordinator of IIM-S, Pawan Singh said regular classes for the programme would start from Thursday. Apart from faculty members from IIM-Indore, guest faculty have been roped in from different parts of the country to take classes in IIM-S.

Although students are

happy at the facilities being provided at the temporary campus, they resented lack of communication facility to Silicon Institute of Technology, which is located on the outskirts of Sambalpur city. "We are hopeful that like the old IIMs, IIM-S will also impart quality education in management," said a student, Rupesh Tiwari, who belongs to Allahabad.

Ending uncertainties, IIM-S first batch classes begin

STATESMAN NEWS SERVICE

Sambalpur, 23 September

Ending all the uncertainties that had been there over the last month, classes for the first batch of the newly set up Indian Institute of Management of Sambalpur (IIM-S) began here today with the orientation of 49 students taking place at the temporary campus at the Silicon Institute of Technology (SIT).

Technical Education Minister Mr Sanjay Dasgupta, accompanied by the MP of Sambalpur Mr Nagendra Pradhan and MLAs Rohit Pujari, Dr Raseswari Panigrahi, Ramesh Patra attended the inaugural function.

Mr Dasgupta said, "the state government will provide all the support required by the IIM-S." State gov-

ernment is also keen on the all-round development of the youth of the state and give them education ac-

with national and international standards, he said.

Forty nine students including nine girls have taken admission and attended the orientation programme.

Prof R. T. Krishnan, Director of IIM Indore and presently holding additional charge for IIM-S and Prof Pawan Singh addressed the new students.

Prof Krishnan appreciated the state government for the proactive steps for setting up of the institute and thanked the Ministry of Human Resource Department for setting the ball rolling.

He also expressed satisfaction at the available infrastructure at Silicon cam-

pus. He informed that currently two faculties of the IIM, Indore, Pawan Singh and Bijaya Gupta will take classes here.

The students were excited. An Odia boy Preetam Rana of Bhubaneswar said, "After completing my BTech from KIIT, Bhubaneswar, I was working with TCS. However, when I got a call from IIM-S, I took leave and came here to pursue management." Similarly, another student Aparna G from Kerala said, "I was working with TCS for two years and was associated with website designing. But I got the call of IIM-S and left my job to join IIM-S." She said that the accommodation provided to the students was good.

Orientation programme of IIM-Sambalpur today; classes to start from tomorrow. Nearly 49 students registration for Orientation programme.

IIM Indore, the mentor of IIM Sambalpur has preferred Silicon Institute of Technology for the temporary campus of IIM Sambalpur. The Earlier Employment and Technical Education & Training department (ET&T), Odisha has agreed to provide necessary additional infrastructural

requirements by IIMI.

Silicon West at Sason is located off the SH10 which connects Sambalpur and Rourkela via Jharsuguda and Sundargarh. It is under upgradation from 2 to 4 lanes. This location is also 7.6 Kms from the Sambalpur Airstrip at Jamadarpali which is scheduled for intra-state Air connection by Air Odisha, between Sambalpur and Bhubaneswar.

The proposed IIM Sambalpur location at Sason is at a distance of 20.3 Km Sambalpur Jn, 15.4 Km from Sambalpur City Station, 33.2 Km from Jharsuguda Jn. The under construction Jharsuguda domestic Airport is at a distance of 43.8 Km.

The temporary campus of the IIMS will operate there till construction of the permanent campus is completed at Basantpur. The classes for first academic session of the two-year post-graduate programme in management at Indian Institute of Management Sambalpur (IIMS) will start from September and it will have intake capacity of 70 students as informed by IIM Indore (IIMI).

Besides, all the activities of IIMS will be mentored by IIMI until it moves to its permanent campus.

Teachers from IIMI will delivered lectures at Sambalpur during the mentorship period and till IIMS gets it own faculty members. Besides, some visiting faculty selected by IIMI will also be engaged. All students will get accommodation with spacious rooms and sufficient furniture in the vicinity of the classroom.
